LOCATION: Military Ridge State Trail, Village of Mount Horeb, Dane County

PROJECT REQUEST: Select an A/E firm to provide design through construction phase professional services associated with the design and construction of the Military Ridge Trail Bridge Corrosion Protection in the Village of Mount Horeb, WI.

PROJECT NUMBER: 15G1L

PROJECT DESCRIPTION:

The Military Ridge State Trail is approximately 40 miles long and connects Dodgeville to Fitchburg. The trail is open for hiking, bicycling, snowmobiling and cross-country skiing.

The steel railroad bridge on the trail is an above-grade crossing over County Highway ID, in Dane County, in the Village of Mount Horeb. The existing bridge contains lead paint that will be removed and remediated as part of this project. The bridge will be repainted to improve appearance.

JUSTIFICATION:

The existing lead paint is beginning to flake and the bridge needs to be cleaned and repainted. The existing lead paint will be removed and remediated. The Village of Mt. Horeb has received complaints regarding the aesthetic quality of the bridge. This project will remove and dispose of hazardous material, extend the life of the structure, and provide a visual improvement.
